Jenny Dean
Claims Handler

How do you define your role at CLEAR?

As a claims handler, I ensure our clients enjoy a smooth and efficient claims experience. It's what my job is all about, doing my very best to deliver a good outcome for the client.

What is your CLEAR journey?

I've been in the insurance industry for over 15 years. I worked as a claims handler at Morrison Insurance Solutions for over three years. I'm now a CLEAR claims team member following Morrison's acquisition. Most things have stayed the same since joining CLEAR, apart from gaining lots more lovely colleagues, which means a broader network of people with knowledge to share.

I look forward to gaining further experience, and who knows what the future will bring.

What is the best thing about your team?

We are a strong claims team, and we all work hard to ensure we provide our clients with an outstanding claims service. We have a laugh working together, and there is always support when it's needed.

What is the best thing about being part of the CLEAR Group?

I'm now part of a much larger business with more opportunities, which is very motivating and exciting!

What do you bring to the party?

I try and do my absolute best in any task and love to help others.

If you could have a superpower, what would it be and why?

I would choose teleportation (if I had to choose only one power.) It's so that I could visit all my family and friends who live so far away and whom I love so much, that would be truly epic!
